Studio desk

Recommended for:
Production and recording studios

Purpose:
Recording

Specs:
Keyboard drawer optionally available

Dimensions:
Duo | 1140x920x1000mm

Dimensions:

Sessiondesk modular system gives you the possibility to easily change your desk configuration. Just add new parts to expand your workspace. The modular systems are crafted from the lining wood originally used for building indestructible flight-cases. The Duo is the perfect solution for medium sized studios, with a rack space up to 48 units and optimised for two screens.
