Fabric Absorber

Venice custom print is the go-to solution for quality high resolution acoustic artwork. Any design can be printed on to the panel, be it your favourite movie poster, artwork, a family photo or even your company Logo. The panel is dimensioned to match standard photo sizes and can also be arranged to print large scale images over multiple panels – with perfect continuity. Venice is equipped with a 100% recycled acoustic core and can easily be mounted on any surface.
